3. REGULATED ARTICLE(S)

Field-grown or balled-and-burlapped nursery stock

4. APPLICABLE FEDERAL QUARANTINE(S) OR REGULATIONS

Imported Fire Ant Quarantine 7CFR301.81

5. We agree to the following:
- That in authorizing and participating in these treatments as a basis for the certification of regulated articles, no liability shall be attached either to the United States Department of Agriculture, to cooperating agencies, or to any of their employees in the event of injury to the property or the regulated article.
 - To handle, process, move regulated articles in accordance with the provision of applicable plant quarantines.
 - To safeguard and use all permits and certificates in accordance with instructions.
 - To maintain and offer for inspection such records as may be required.
 - To carry out all additional conditions, treatments, precautions and sanitary measures which may be required by the officer in the following stipulations: see attachment of USDA IFA quarantine treatments.
 - For regulated articles not moved out of the quarantined area, the treatments described in this agreement are not required. However, movement of infested regulated articles should be avoided.
 - Compliance agreements are non-transferable. If you hold a compliance agreement and you leave your present employer or company, you must notify your local USDA, APHIS, PPQ office or the Department of Plant Industry
